Principal's Message

Dear Parents and Carers,

Art Exhibition – Thank you!

What a night! For those of us that came along to the Art Exhibition on Friday night, it certainly felt like our pre-covid days, when the entire community would come together. There was a certain buzz in the air that allowed us to forget that we ever lived through covid. Saturday was just as rewarding, though quiet and tranquil, allowing all attendees to stroll through the hall and take in the wonderful display of creativity. Thank you, teachers, for the many months of preparation and planning. Each students' final art piece is the product of your dedication & commitment to the project, and what an exhibition of creativity it was.

Thank you to the volunteers who assisted with the set up over 3 days and during the event. We could not have done it without you.

On behalf of the school community, I'd also like to thank the current P&C members, Malcolm Buchan, Eva O'Connell and Jamilee Kassem for the many hours of work and preparation. Thank you, Malcolm, for working alongside the school, inspiring us to "Dream", creating an event beyond our expectations.

As mentioned previously, Marina Mavritsky and her team at Artroom Productions, Mortlake, specifically designed professional learning, assisted with the supply of materials and devised lesson plans for all our teachers in the early stages of this project. The teachers' newly acquired learning will be put to good use for many years to come. Thank you, Marina and Marie!

Thank you to our amazing staff who always go above and beyond for our school, juggling their own personal lives to ensure that these events can go ahead.

Thank you Sally Sitou MP, Member for Reid, for popping in on Saturday. We really appreciated your time and the opportunity to meet and speak with you.

Lastly, thank you to our artists, our students. They are the true stars of the Art Exhibition. On behalf of your parents and your teachers, we are enormously proud of each and every one of you. Congratulations on your achievement! If I could, I would hang every piece of art work in my office with enormous pride!

New Assistant Principal Curriculum and Instruction (APC&I)

After undergoing a merit selection process, I am pleased to announce that the successful candidate of this process is Mrs Justine Soteriou. Mrs Soteriou will begin in the new role of Assistant Principal, Curriculum and Instruction in 2023.

The department has introduced a new Assistant Principal, Curriculum and Instruction position in all primary public schools with enrolments from Kindergarten to Year 6. This new leadership role is designed to work alongside Assistant Principals in providing high support to teachers in literacy and numeracy. Mrs Soteriou will work collaboratively with the leadership team in the implementation of the new English and Mathematics Syllabus next year.

Principal's Message continued

She will also provide guidance and professional learning to staff and work alongside teachers in classrooms to demonstrate and team teach to enhance high quality teaching practices. The role is dedicated to ensuring our students have strong literacy and numeracy knowledge. Congratulations, Mrs Soteriou, on behalf of the school community.

New softfall area for our playground

I am pleased to share with our school community that our asphalt area will be resurfaced over the Christmas holidays, installing a softfall area which will cover most of the asphalt from the hall all the way to the multi-purpose court. This area will be marked with play areas such as hopscotch and handball courts and will provide a safe even surface for our students to play on. Mrs Francisca Darlow (Assistant Principal, Special Education) and the P&C worked together to acquire a Community Building Partnership grant of \$50,000. The remaining cost will be provided by the Department of Education, Asset Management Unit. Thank you, Mrs Darlow and thank you to the P&C for always looking for ways to improve our school.

As this is our final newsletter for Term 3, I'd like to wish you all a safe and happy spring break. I will be taking a few weeks of personal leave, commencing Monday 10 October and returning on Friday 21 October. Mrs Coco will be the relieving Principal in my absence.

Thank you for your ongoing and continued support throughout the term!

CHOOSING A HELMET WHEN RIDING A BICYCLE OR SCOOTER

Always wear a helmet when riding a bicycle or a scooter. Helmets greatly reduce the risk of head injuries. In NSW, riders including children are required by law to wear an approved helmet.

When choosing the right helmet for your child, consider the following:

- Always choose an approved helmet that carries the Australian and New Zealand Standard logo. This is often displayed as a sticker on the inside of a helmet.
- Make sure the helmet is the right size. It should be comfortable and not too tight or too loose.
- Check to see if you can place two fingers above your child's eyebrows to the bottom of the helmet. The position of where the helmet sits on your child's head is important.
- The under-chin strap should be correctly adjusted, not twisted, and always buckled securely. There should be a one finger gap between the strap and the chin.
- Pick a helmet with a bright colour so it can be easily seen. Have your child help select their helmet colour. If you let your child have a say, chances are they will be more likely to wear it.
- Never wear a damaged helmet. If a helmet has been involved in an incident or dropped from a height, it should be replaced even with no visible damage. Check to see the condition of the shell and straps/buckle.

Help to promote safe riding behaviour by supervising your child. It's a great idea to talk with your child about the road environment including the traffic conditions, road signs and how and where they can ride safely.

By law, children under the age of 16 can ride on a footpath unless there is 'No Bicycles' signage installed. An adult rider who is supervising a bicycle rider under 16 may also ride with the young rider on the footpath.

CHOOSING A HELMET

In NSW, all riders including children are required by law to wear an approved helmet. When choosing a bicycle/scooter helmet consider the following:

- Does it have the Australian and New Zealand Standard logo?
- Is the size/position correct for my child's head?
- Can the strap be adjusted?
- Is it comfortable to wear?

CHESS!!

Learn to be a chess champion! Coaching for students at Concord Public School is held on Mondays from 8:00am to 8:55am, starting on 2 May 2022.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

DID YOU KNOW?

In NSW, it is illegal to do a U-turn across an unbroken centre line, even in a school zone.

Penalty: \$349 & 3 demerit points

U-turns in School Zones

Did you know that it is illegal to do a U-turn across an unbroken line in the centre of a road? Unbroken lines in the centre of a road guide drivers and are an important road safety feature, especially in school zones.

You might see unbroken lines in the centre of the road near pedestrian crossings and refuges, approaches to intersections and places where sight lines are restricted.

By completing an illegal U-turn, you are putting the school community at risk of injury or worse. Penalties and fines apply.

NO PARKING

Signs like these are displayed within your school zone. Make sure you read the signs carefully before you move away from your vehicle as some 'No Parking' signs may have time restrictions associated with them. Council Rangers and NSW Police actively patrol school zones, especially during drop-off and pick-up time periods. Make the right choice and keep our students safe.

DID YOU KNOW?

You can stop in a **NO PARKING** zone for a maximum of 2 mins. You must remain inside or within 3m of your vehicle. Penalties apply.

If there are no spaces available, you'll need to drive away and park elsewhere or return when there is space available.
