Principal's Message

Dear Parents and Carers,

What a busy, but exciting 2 weeks we have had. As you are all aware, three of our PSSA teams made it to the finals and we could not be prouder of them. With one win and two runners up, our students represented our school with excellent sportsmanship, proving to us all that it is about participating and giving your best.

Well done to our Junior Netball A team and our Junior and Senior soccer teams. You are all champions!

SASS Recognition Week

Next week we will be celebrating all our wonderful School Administrative and Support Staff (SASS) as part of SASS Recognition Week. Our SASS are valued members who have important roles in our school community. They are often the first people you see when you enter a school and are essential to maintaining positive relationships with students, parents and the community.

Thank you, SASS staff!

Our amazing SASS are: Mrs Posavac (School Administration Manager), Mrs McKay (School Administration Officer), Mrs Malizis (School Administration Officer), Mrs Sivva (School Learning Support Officer), Ms Nina (School Learning Support Officer), Ms Gaya (School Learning Support Officer), Ms Katerina (School Learning Support Officer), Mr Crump (General Assistant).

Book Week

This week we celebrated Book Week with guest authors Miriam Latifi and our very own Mr Greg McLaren. Our students learnt about how authors are inspired and their journey of becoming an author, as well as the process of how a book is published. Ms Latifi shared with students her story, her culture and customs. Mr McLaren shared his favourite poems and what inspires him to write. Thank you, Ms Latifi and Mr McLaren.

It was exciting to see our students come dressed as someone they aspire to dream to be when they grow up', for our parade! With this year's theme, 'Dreaming with eyes open'... it was lovely to see our community come and support their child/children. Thank you!

Maintenance Update on Gardiya Building

Unfortunately, due to the recent weather conditions and additional maintenance required on the building, the completion of all works has been delayed. We are hoping that the work will be completed within the next 2 weeks.

Principal's Message, continued

P&C Update

Thank you to the many parents, carers and grandparents who have already put their hand up to volunteer for the Art Exhibition. As we meet and greet many of you each day, we are overwhelmed by the support and the positivity amongst our community for this event. What a wonderful way to reunite as a school community after the many months of restrictions and lockdowns to celebrate our children's work.

For many of our parents/carers who are new to our school or may not be aware, our current P&C is a very small group of parents who are in "interim-mode" after the last AGM (2 years ago) did not receive enough members to form a new group. Instead of closing the P&C entirely, 3 members decided it was in the best interest of the school community to remain in "interim-mode" until another AGM was called. Then COVID-19 hit, which further impacted the P&C and its operations. The small group ensures the continuing essential operations of the canteen and uniform shop as well as P&C entity.

An AGM will be called by the current P&C members shortly after the Art Exhibition. For those of you who are interested in joining the P&C and/or assisting in future events, look out for their booth at the Art Exhibition.

We are looking forward to welcoming new children and families to our school.

Class Item – 5M

5M have completed their long look into imaginative texts by creating their own narratives (see 'Drip, Drip, Drip' by Jasmine Taylor). We have begun our investigations into informative texts by, first, creating some unique and hugely creative presentations on animals. We have seen plays, posters, PowerPoints, speeches all demonstrating great effort and insight into engaging aspects – from descriptive comparisons, find-a-Fer-de-Lance-snake activities, use of effects and transitions and the use of humour to provide some great factual information about different animals from around the world. Very impressed with the effort and creativity 5M. Keep it coming! 😊

Normal Amphibians vs Super Axolotl

- Frogs, Toads & Salamanders
- Cold-blooded vertebrates
- They need a moist place to live and can breathe air through their lungs & skin
- They are carnivorous
- They **undergo** metamorphosis, which means that they are born in water and as they grow, they move onto land.

- Axolotl
- Cold-blooded vertebrate can regrow many body parts
- They need a moist place to live and they breathe through their gills on their heads, they also have lungs
- They are carnivorous
- They **do not undergo** metamorphosis and stay in water.

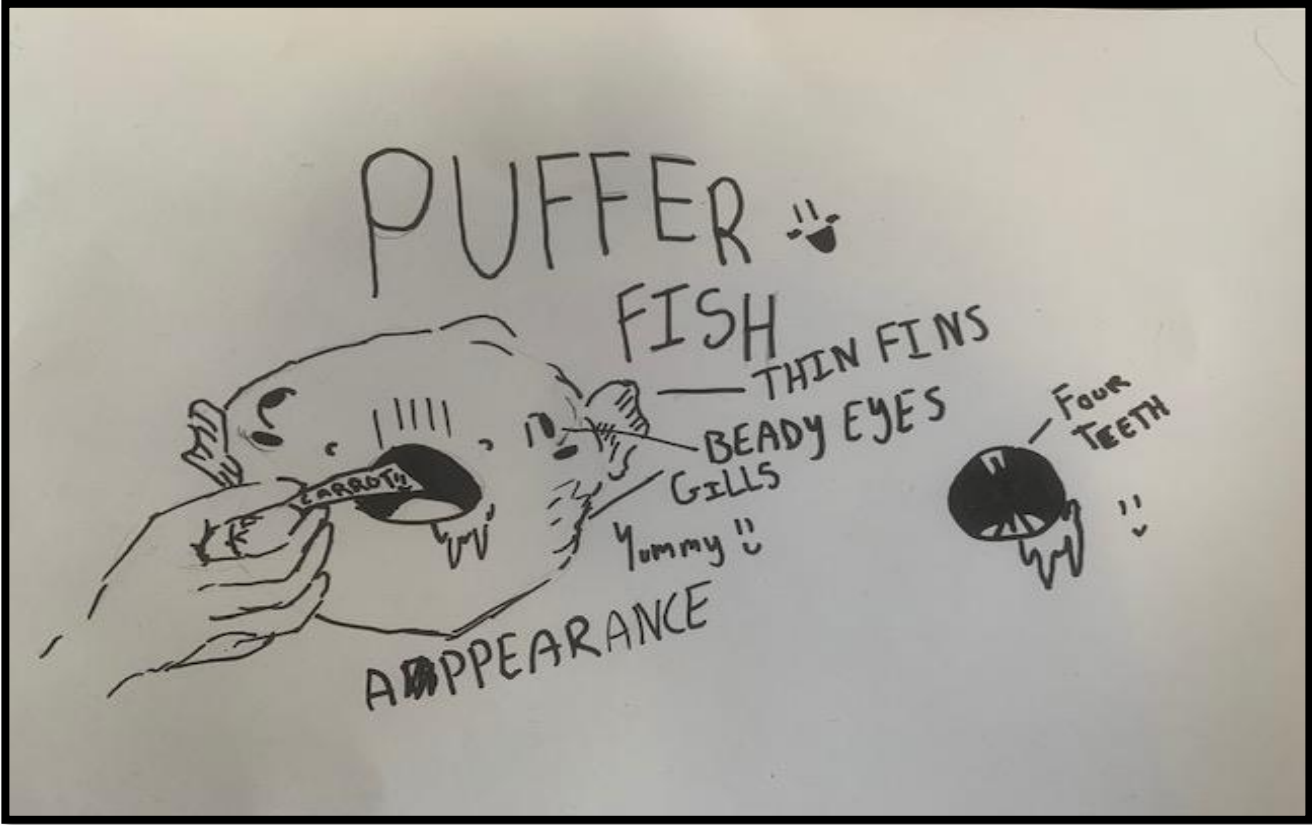

Fer-De-Lance Snake

DIET

- ❖ Omnivorous
- ❖ Small snakes
- ❖ Berries from the Gir forest of Gujarat, India

Class Item – 5M by Jasmine T

Drip, Drip, Drip!

Have you ever woken up to your room knee length in water? Or have you ever heard rain so hard you can't even hear the TV? Well, all this happened to the sleepy town in Victoria where I live. My small town, Swan River, is home to just under 100 people with a few creaky old buildings like the run-down bakery where I get finger buns, and the bright blue post office where my mum buys kangaroo stamps. Oh, by the way I'm Leo Turnip and this is my story.

The rain was pouring down in sheets, pounding the small, blue cottage where me and my parents live. I yawned and stretched my arms as I slowly woke up. I jumped out of and felt something wet up to my knees.

"Why am I wet? Hang on my rooms flooded!!" I shouted before I ran to my parents' tiny room.

"Mum! Dad! Wake up! The house is flooded!" I shouted as I began jumping on their green bed.

"Huh, what is it, Leo?" mum mumbled.

"Yeah, go back to bed!" dad muttered.

"No, it's true, look!" I cried.

My parents slowly looked up and got out of bed frozen in shock.

"Oh my god, Joe! Leo grab some buckets now!" My mum, Matilda, screamed.

"Aye, aye Matilda!" dad shouted. My dad, Joe, and I sprinted down the hall to the laundry and grabbed some old gardening buckets and gloves, then started working.

A few minutes later, mum appeared with some attractive ham sandwiches or 'fuel', as she called it.

"Go, go, go boys! By the look of it this rain is going to last a while!" mum shouted over the pounding rain.

We kept going all the way until noon, with snack breaks and lots of encouragement from mum. Finally, the rain started to get lighter and eventually turned into a light drizzle. But there was still water everywhere! Mum decided to join us in shoving water out the door until it stopped raining altogether.

"Yippee! The rain has finally stopped!" I shouted

"Come on! Keep working Leo," said dad. About 20 minutes later the water was ankle deep, then foot deep and then it was all gone. All of it.

"Oh my God! It's gone!" I cheered.

"But look at all the mess! Everything is wet!" despaired mum.

The end.

Our Buddies are back!

During Week 5 we had the opportunity to work with our buddies in 5M. It was great to have them back into our three classrooms. All of the students collaborated together to produce a fantastic artwork piece. Thank you 5M for being great role models and for being so kind to all the students in the Inclusive Classes.

Thank you Mr. Chris

Over the last three terms we had an extra special guest in 1/2S. Mr. Chris has just finished his 100 hour SLISO TAFE practicum. Thank you for all your help and support over the last few months. The students and staff really appreciate all the extra support with their daily tasks. We wish you all the best.

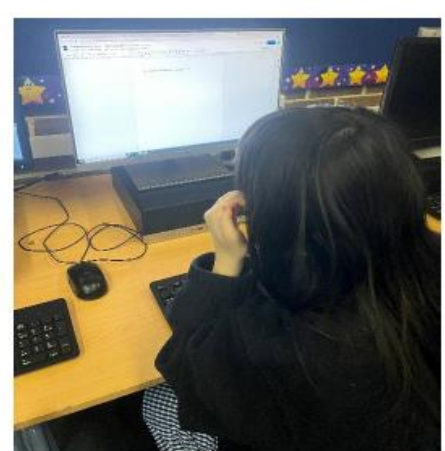

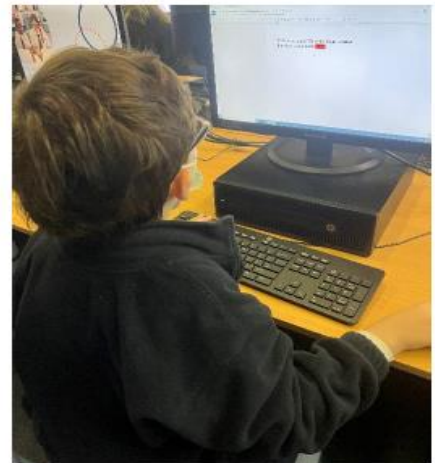

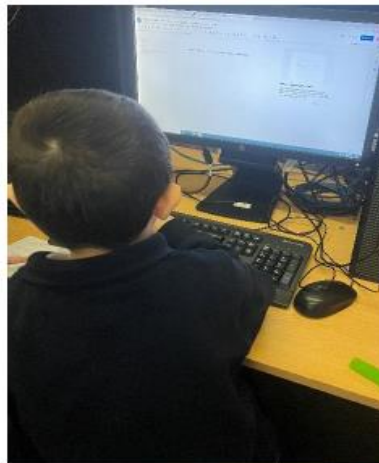

Integration

Each week some of our students attend different classrooms across the school. Thank you, Miss. Doualetas for opening up your classroom each week for Mathematics. We love attending your challenging Maths lessons.

Computer Lab

During our Monday Computer Lab sessions, we have been working on Google Docs. We have been inserting text, changing fonts, changing colour and inserting images. We have been practicing our touch-typing skills with two hands on the keyboard.

STREAM

During our Week 5 and 6 STREAM lessons we designed our own **iMovie's**! Miss Ann was our movie producer and showed us how to sequence our BeeBots across the solar system with Lego people on iMovie. We also added some epic sound to our fabulous finished creations. Steven Spielberg will definitely be visiting CPS for the movie premiere! Look at the collaborative teams below.

VISUAL ARTS INITIATIVE AND ART EXHIBITION

P&C and teaching staff of Concord Public School have initiated an arts program that is unique to the school. Our expectation is that it will be a key learning and creative opportunity for our kids and teachers alike with benefits flowing through to ongoing years, involving whole of school and community collaboration.

Facilitation

From the start of term three, teachers will undergo extra professional learning in visual arts via external facilitation by artists with their own professional practice who have demonstrated teaching and facilitation skills. All teachers will be encouraged to attend workshop sessions outside of school hours. Along with planning, key strategies and methodology, teachers will learn, discover and have hands on practice to deliver directed learning to our kids. Further, the artist/ facilitators will engage in classrooms and teachers ad hoc, to further reinforce skills and learning to help achieve clear outcomes. This facilitation is provided by funding from the P&C.

What are the outcomes

- Having the opportunity to draw upon professional artist facilitated, teacher led instruction. Tapping into visual art in a broader context through specialised instruction.
- Each student will create and complete an artwork A4 in size utilising artist quality materials by 7th September 2022.

Close contacts

Staff and students who are identified as close contacts are allowed to attend school, providing they follow certain guidelines.

Staff and students cannot attend schools for specific purposes (SSPs) or support units as a close contact and will be supported to work or learn from home.

Close contacts attending school (including residential settings such as boarding schools) will need to adhere to the following in addition to the NSW Health Guidelines:

- They must notify the school and/or early childhood education (ECE) service provider (including their outside of school hours care provider) if they are intending to attend school as a close contact
- They should conduct a daily rapid antigen test (RAT) and return a negative result each morning before attending school for 5 school days.
- They (if in a secondary school setting) must wear a mask indoors except when eating or exercising. Primary school students are recommended to wear a mask indoors (except when eating or exercising).
- No student or staff member identified as a close contact will be permitted to participate in overnight excursions, including school camps.
- Any visitor to a school site who is a close contact is required to advise the school that they are a close contact before they come on site. These visitors should conduct a daily RAT and return a negative result before attending. They must also wear a mask indoors at all times. Schools should consider if the visit can be conducted virtually.

If you have any questions or concerns, please do not hesitate in contacting the school.

Kind Regards,
Concord Public School

Mask wearing is strongly encouraged at school

NSW Health are unwavering in their message that masks are an effective way of minimising the transmission of respiratory viruses and infections, and protecting our community, especially those who are at higher risk of severe illness from COVID-19 and flu.

As case numbers within the community continue to rise, this is a reminder that **mask wearing is strongly encouraged for students, staff and visitors**, particularly indoors, and that now is not the time to become complacent.

Masks continue to be required for workers who support our students who are at greater risk of serious illness should they contract COVID-19, whether they be in schools for specific purpose (SSPs), support units or mainstream classrooms.

Refer to [NSW Health's Mask wearing page](#) External link for further information. You can also go to the [NSW Department of Education's Advice for families](#) for full details of the COVID-smart settings currently in place at our school.

CHESS!!

Learn to be a chess champion! Coaching for students at Concord Public School is held on Mondays from 8:00am to 8:55am, starting on 2 May 2022.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

DID YOU KNOW?

In NSW, it is illegal to do a U-turn across an unbroken centre line, even in a school zone.

Penalty: \$349 & 3 demerit points

U-turns in School Zones

Did you know that it is illegal to do a U-turn across an unbroken line in the centre of a road? Unbroken lines in the centre of a road guide drivers and are an important road safety feature, especially in school zones.

You might see unbroken lines in the centre of the road near pedestrian crossings and refuges, approaches to intersections and places where sight lines are restricted.

By completing an illegal U-turn, you are putting the school community at risk of injury or worse. Penalties and fines apply.

NO PARKING

Signs like these are displayed within your school zone. Make sure you read the signs carefully before you move away from your vehicle as some 'No Parking' signs may have time restrictions associated with them. Council Rangers and NSW Police actively patrol school zones, especially during drop-off and pick-up time periods. Make the right choice and keep our students safe.

DID YOU KNOW?

You can stop in a **NO PARKING** zone for a maximum of 2 mins. You must remain inside or within 3m of your vehicle. Penalties apply.

If there are no spaces available, you'll need to drive away and park elsewhere or return when there is space available.
