Principal's Message

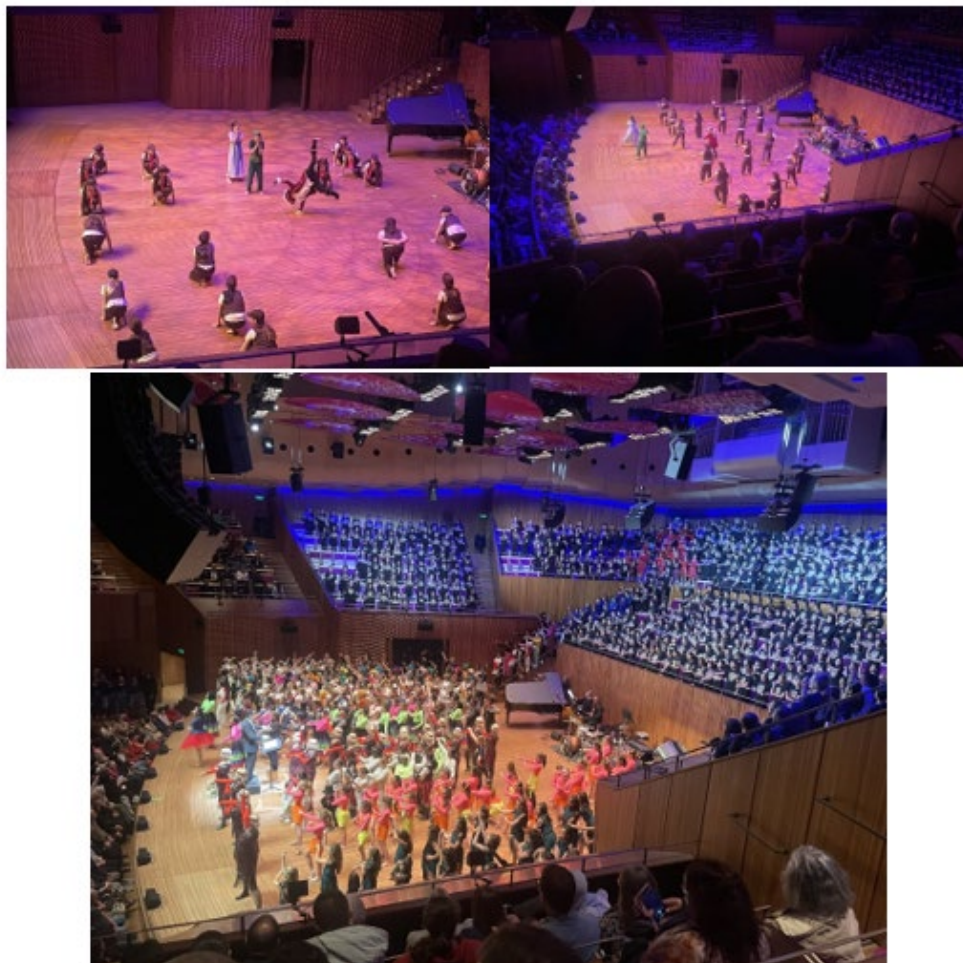

Dear Parents and Carers,

Welcome to the final newsletter of the term and what a busy end to Term 3 it has been.

School Spectacular

Mrs Darlow and I had the honour of sitting in the audience at the Sydney Opera House last night to watch the School Spectacular and to say it was spectacular is an understatement!

Our Dance Troupe closed off the concert with their magnificent Peter Pan performance! They were absolutely wonderful and gathering by the loud cheers within the crowd, I'm confident everyone there agreed with me! Throughout the evening, the choir sounded beautiful amongst our network of schools. It was truly, an unforgettable night, and the atmosphere was incredible! A huge congratulations to all our students involved. Your dedication to rehearsals and practice each week has paid off. A massive thank you to all the teachers involved leading up to the event and to those who volunteered to accompany our students during the mammoth 14-hour day. Thank you, Mrs Montgomery, Miss Lo Galbo, Mrs Doualetas, Ms Gil, Ms Slattery, Mr Murray and Ms Katerina. These photos just don't do justice.

Principal's Message continued

Zone Athletics Carnival

Congratulations to all our students who participated in the Zone Athletics Carnival on Wednesday. It was a very warm day, but our students had a fantastic time. Thank you, Mr Crisafulli, for overseeing the event and a huge thank you to Mr Destefano, Mr Murray and Mrs Papas for accompanying our students on the day. Although the day was cut short due to the heat, we still had a lot to celebrate, with many students progressing to the regional finals! Look out for the results as you read through our newsletter!

I would like to wish you all a safe and relaxing break and look forward to seeing you back at school on Monday, 9 October for what I'm sure will be a busy and exciting term!

Thank you for your ongoing support!

Inclusive Classes - Thank You

Thank you to all our families in the Inclusive Classes for putting on such a wonderful spread of culinary delights for all the staff to enjoy on Wednesday. The staffroom was buzzing and it was great to see everyone come together to enjoy the special treats. Thank you to all our families for always being so supportive, thoughtful and kind.

The Inclusive Team

Inclusive Classes

On Tuesday 12th of September, the students in Years 3 & 4 in the Inclusive Classes joined the Stage 2 team on an excursion to Clifton Gardens at Mosman. It was a fabulous day, and we were able to investigate natural habitats, animal environments, learn about native wildlife, fish off the wharf, experiment with water pollution and enjoy a day at the beach!

A big thank you goes to Mrs Kang for organising the excursion and to all the students in Year 4 in Miss Chen's class for buddying up with us for all our activities. Thank you to Miss Ann, Miss Gaya and Miss Katerina for all their support on the big day.

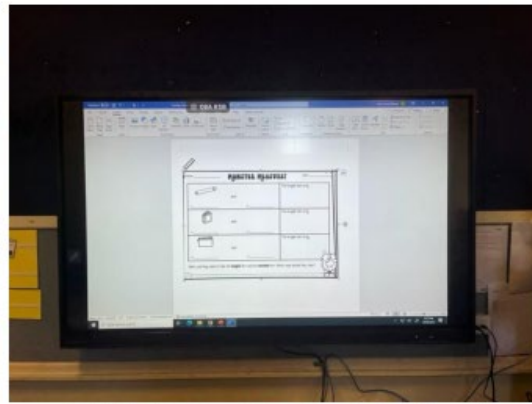

Thank you to our P&C – New Panels

An enormous thank you to our phenomenal P&C team! This week ASI Solutions installed four new Clevertouch Panels into K/1G, K/2A, 4S and our Computer Lab. A special thank you to our P&C Grants Team for their successful grant application for three classroom panels and to the whole P&C Team for raising the extra money for the 86" Computer Lab panel. These panels are an exceptional resource in all our classrooms.

Our new Clevertouch panels have:

- Reduced classroom costs and increased sustainability through less paper usage.
- Made lessons more convenient, collaborative and interactive for all our students
- Allowed teaching staff to accommodate different learning styles with all our students
- Connected us to innovative software and learning apps
- Allowed for screen mirroring for hybrid learning
- Increased accessibility for students with disabilities
- Increased student engagement and the opportunity to build key 21st century skills.

Thank you to CPS P&C for all their efforts behind the scenes.
We really appreciate our new panels.

Check-in assessment for Years 3 – 6 Students

Dear parents and carers,

During Terms 3 and 4, students will participate in a Check-in assessment.

The Check-in assessment is a NSW Department of Education online literacy and numeracy assessment available to support schools to assess and monitor student learning.

The assessment can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs. Students with a disability may receive the same level of support during the assessment they would normally receive in the classroom.

- The assessment will be scheduled for our students in Year 6 during Weeks 8-10 of Term 3.
- The assessment will be scheduled for our students in Years 3,4 and 5 during Weeks 1-4 of Term 4.
- All students complete a reading assessment and a numeracy assessment.
- Year 6 students will also complete a writing assessment.

If you have any questions regarding the check-in assessments, please contact the school.

Mrs Soteriou

Canteen Price Rise

Dear All

Thank you for your ongoing support of the Canteen that provides a much needed service to the school community.

As we have seen across our society, prices have increased and we are not immune from such. There have been a number of price increases from suppliers that we can no longer absorb in our day to day running. To that end please be advised that the canteen will be raising its sell prices across a number of items.

Price increases are effective from Monday 28th August.

The canteen supplies many children with meals across the week and is a service to help the busy lifestyle of parents while supplying good nutrition to the school community. While the above mentioned increases are necessary, we are keeping prices as affordable as possible.

The ongoing benefits the canteen provides to the school community delivered through the support of invaluable and selfless volunteers should not be taken for granted. We hope you will show your support to our volunteers by helping when ever you can, either helping in the canteen or placing an order for your child on an ongoing basis.

Profits from the canteen and the uniform shop directly goes toward funding school projects and other identified needs as agreed by the P&C and the schools educators.

Sincerely

Concord Public School P&C Association Committee

PARKING SAFELY IN SCHOOL ZONES

Road Rule Reminders

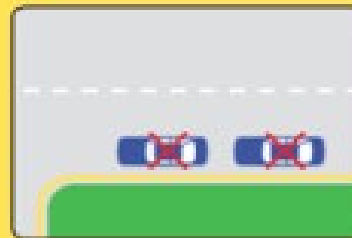

The fines and demerit points in this brochure apply in school zones.

NO STOPPING ZONES

No Stopping signs mean you must not stop here at any time. If times of operation are shown on the sign, the restriction applies only at those times.

An unbroken yellow kerb line is a no stopping line. You must not stop for any reason.

FINE
EXCEEDS
\$362
+ 2 DEMERIT
POINTS

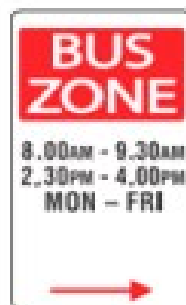

BUS ZONE SIGNS

A Bus Zone is a No Stopping zone for vehicles other than buses. If times of operation are shown on the sign, the restriction applies only at those times.

You must not park your vehicle less than 20 metres before or 10 metres after a bus stop.

FINE
EXCEEDS
\$362
+ 2 DEMERIT
POINTS

NO PARKING SIGNS

You can only stop in a No Parking zone while picking up or setting down passengers or goods. You have a **maximum of 2 minutes** from the time you stop and must **stay within 3 metres** of your vehicle at all times.

If times of operation are shown on the sign, the restriction applies only at those times. This is not a waiting zone.

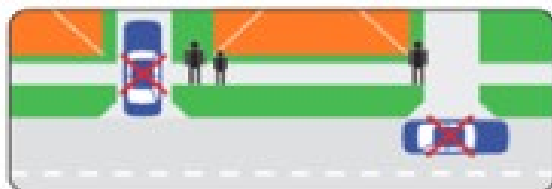

FINE
EXCEEDS
\$201
+ 2 DEMERIT
POINTS

DRIVEWAYS AND FOOTPATHS

- When exiting or entering a driveway a vehicle must give way to pedestrians on the footpath.
- Driveways are not playgrounds. Be aware that children can go unnoticed in front and behind your vehicle. Do not solely rely on reverse sensors or cameras in your vehicle.
- Always supervise and hold a child's hand near/crossing driveways.
- It is illegal to park in or across any driveway or to block a footpath at any time.

FINE
EXCEEDS
\$362
+ 2 DEMERIT
POINTS

TIME RESTRICTED PARKING

Parking signs with specified time limits allow drivers to park their vehicle for a maximum period of time, e.g. 5 minutes, 1 hour etc.

If times of operation are shown on the sign, the restriction applies only at those times.

FINE
EXCEEDS
\$120

USING MOBILE PHONES

- It is illegal to make or receive a call on your mobile phone while you are driving unless your phone is secured in a fixed mounting or does not require you to touch or manipulate the phone in any way.
- It is illegal to use the other features of a mobile phone such as texting, emailing etc unless your car is legally parked and the ignition is switched off.
- Using mobile phones is a major distraction for drivers and incurs higher fines and demerit points in school zones.

**FINE
EXCEEDS
\$481
+ 5 DEMERIT
POINTS**

DOUBLE PARKING

Do not double park at any time. Double parking is illegal and dangerous especially around schools. It reduces visibility and blocks the road for other motorists.

**FINE
EXCEEDS
\$362
+ 2 DEMERIT
POINTS**

U TURNS

- Performing U turns or 3 point turns in school zones is extremely dangerous.
- Performing U turns across unbroken centre lines is illegal and is particularly dangerous around schools.

**FINE
EXCEEDS
\$362
+ 3 DEMERIT
POINTS**

PARKING / STOPPING NEAR INTERSECTIONS

It is illegal to park or stop less than 10 metres from an intersection with no traffic lights as this blocks visibility for turning drivers and creates a hazard for all motorists.

**FINE
EXCEEDS
\$481
+ 2 DEMERIT
POINTS**

PEDESTRIAN CROSSINGS AND CHILDREN'S CROSSINGS

- Slow down as you approach pedestrian crossings and children's crossings.
- Do not proceed if the road beyond the crossing is blocked.
- Do not stop or park in the No Stopping zones on either side of the crossing as this blocks visibility.
- At a children's crossing you must stop at or before the stop line if there is a pedestrian about to cross or already on the crossing.
- Do not proceed through a children's crossing until all pedestrians have completely cleared the crossing.

**FINE
EXCEEDS
\$481
+ 2 DEMERIT
POINTS**

HOLDING HANDS IN TRAFFIC

- Children need assistance in the traffic environment until at least the age of 10. They are not equipped physically or developmentally to make the crucial decisions to keep themselves safe.
- All children need to be actively supervised in and around moving vehicles, footpaths, shared paths, driveways, car parks, at traffic lights, pedestrian crossings, on quiet streets and busy roads.
- Make sure you always set a good example around traffic and talk to your children about why you are stopping at the kerb and what you are watching and listening for. Explain where and when it is safe to cross and why.
- Hold hands with your children around traffic. If your hands are full, make sure your child holds onto your bag, pram or even your arm or sleeve.

SCHOOL ZONE

Road Safety News

Term 3 – 2023

Welcome to the first School Zone Newsletter. Our goal for the remainder of this year is to see safer, kinder, more active school zones. To help with this, we will include simple Active Travel ideas for you to try, traffic and parking rule reminders and messages from members of our school communities.

Park & Walk

Walking to school with your child has obvious health benefits for you both and is also a wonderful opportunity to connect. Talk Road Safety with your child along the way.

- Identify a quiet location where you can park your car and walk to school.
- Think about winding your way through a local park, or past an interesting community feature.
- Grab a coffee and have a chat.

Encourage friends to join you or chat with your school P&O to see if there is community interest in broadening Active Travel ideas.

"Catching the bus home with all my friends is a really cool way to finish the day. I'm just about to start high school and will be catching the bus to the next suburb but I feel ready because I've been catching the bus since Year 4".

Grace, 12

T Station

"Walking to the train station in the morning gives me time to think about the day ahead. I like zoning out on the train, listening to music, but we are not allowed to wear headphones on the walk from the station to school".

Jake, 15

"I love it when Mum picks me up after school and we walk home past the ice-cream shop".

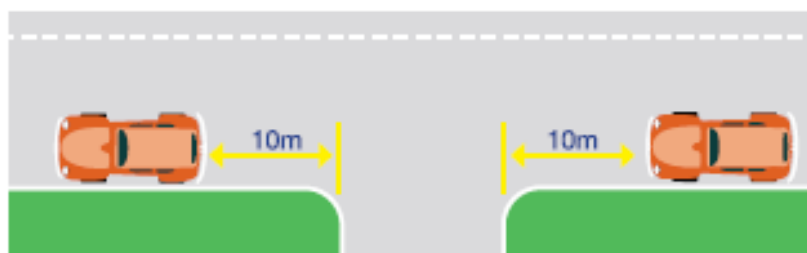

Maya, 8

Parking Rules

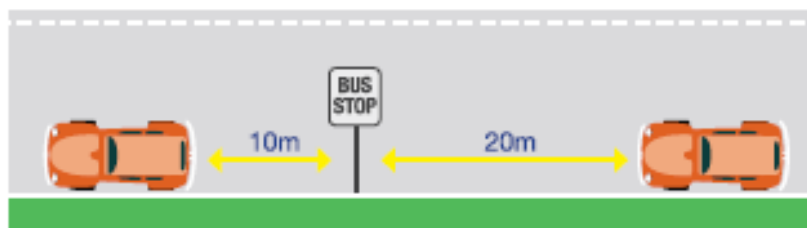

Please park safely and legally on the streets around your school. Park legally so you do not incur parking fines and demerit points. Council's Law Enforcement Officers enforce parking around schools. If you park contrary to the road rules you will be fined!

You cannot stop or park your vehicle:

Within 10m of an intersecting road at an intersection without traffic lights (20m with traffic lights), unless a sign states you can park there (see image at left).

PENALTIES FROM: \$362
2 Demerit Points apply

Within 20m before and 10m after a bus stop (see image).

PENALTIES FROM: \$283
2 Demerit Points apply in School Zone

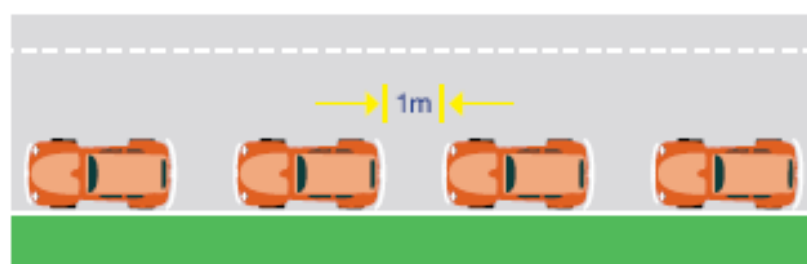

Parallel parking

This is the usual way to park unless signs tell you otherwise. You must park in the same direction as the adjacent traffic and parallel and as close as possible to the kerb.

You can NOT park across driveways or pedestrian kerb ramps. A vehicle can be parked up to the wings on the driveways or ramp (see image).

PENALTIES FROM: \$283
2 Demerit Points apply in School Zone

You should park at least one metre from any other parked vehicle and entirely within any marked parking lines where provided (see image).

PENALTIES FROM: \$120

* Penalty amounts are substantially higher for offences committed in School Zones. All penalties are set by the NSW State Government.
